Foreword

Mother - the term stands for unconditional love universally, easily the greatest role in the world, but my mother travelled the extra mile. She was a dreamer, not for herself but for her sons!

Today, the blissful musical journey that I am on, is the manifestation of my Amma's dream. She dreamt ardently and I woke up to the reality of a career in music!

I am making a humble effort to celebrate my Amma, celebrate her dream, celebrate music - for that's the least I could do. I am overwhelmed to share with you that my desire, will, determination and prayers have finally fructified. 'Soukumaryam', a three-day music festival in memory of my beloved mother, late Smt Sukumari Amma, is becoming a reality!

1st to 3rd of March 2022 - save your dates, as you will be in for a musical delight. 'Soukumaryam' will feature some of India's finest Carnatic musicians on all three days. This is a dream come true and let's live it together.

Musically yours.
